

Ministry of Finance Implementation Plan of 2021 themed PPP Business Opportunities

I. Purpose:

In order to put the policy objectives drafted by the Executive Yuan into practice, the Ministry is committed to assisting in long-term care, environment protection and energy, as well as major public infrastructures using the PPP method. The Ministry will host two themed sessions of the PPP business opportunities forum to facilitate industry matching and experience sharing, and to encourage private investment in the stated business opportunities of public infrastructure.

II. Sessions, Dates, Venues, and Number of Attendees:

Session	1	2
Theme	Long-term care	Environment protection and energy
Date	Tuesday, 5 th October 2021 1:30pm	Thursday, 14 th October 2021 1:30pm
Venue	Training Institute, Ministry of Finance Classroom 302	
Attendees	60 people	60 people
Remarks	A hybrid approach will be adopted with physical and virtual attendees in response to the level 2 epidemic alert. The forum will be live streamed on the PPP i MAP website of MOF (https://www.2021taiwanppip.com.tw/). Virtual attendees can	

leave a comment and interact with each other on the streaming platform. The video will be archived in the audiovisual section of the website.

III. Attendees:

Industry investors, relevant guilds, and associations from the civil society who are interested in investing in public infrastructure are welcome. A maximum of two people from each company, guild, or association can register.

IV. Registration:

Those who want to attend the physical forum, please contact Ms. Ju-Lin Yeh (at +886-7-5560868).
